TAMKO[®]

Shown In Weathered Wood

Timeless Style Meets Lasting Protection

Experience the perfect combination of strength, durability, and reliability with TAMKO's newly reformulated Heritage® shingles. Engineered with TAMKO's proprietary **TriShield™** Technology, they are designed for enhanced performance and lasting protection making them a smart choice for any homeowner.

Rustic Black

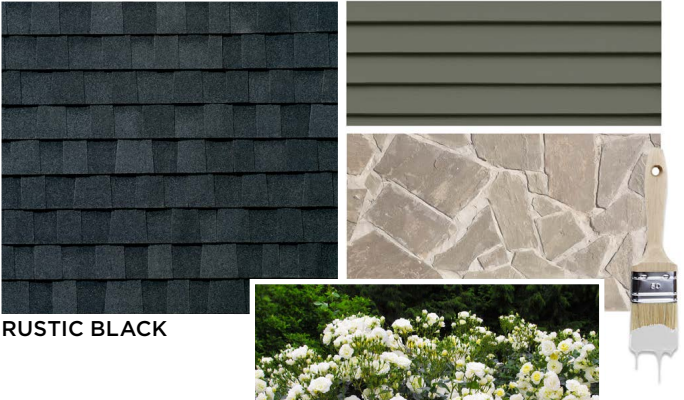

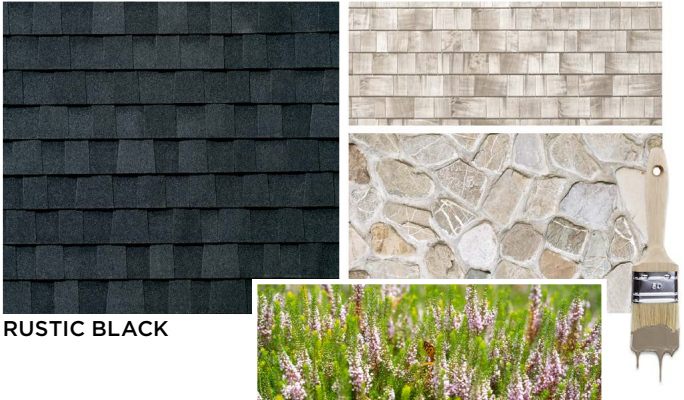

Design Inspiration

Rustic Black:

Rustic Black creates a bold foundation with its deep black base and dark grey highlights. Inspired by heirloom cast iron, this shade is designed to complement dramatic contrasts and rustic elegance.

Crafted for Beauty

Antique Slate

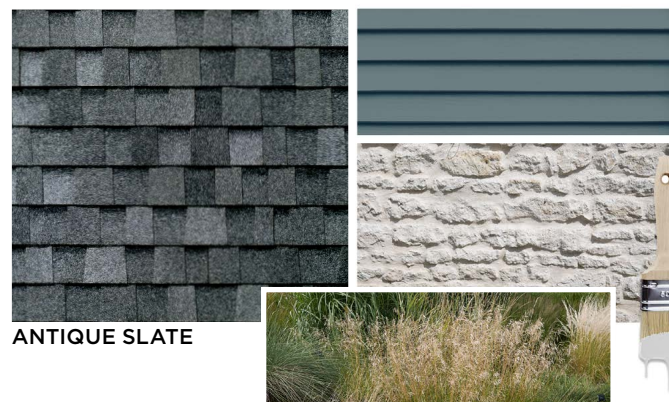

Design Inspiration

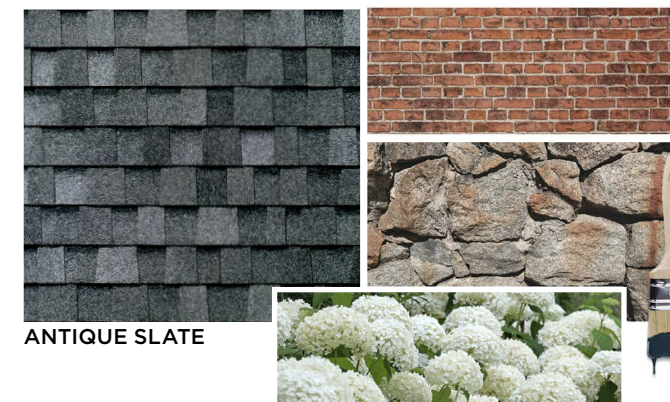

Antique Slate:

Antique Slate's deep black base, softened by hints of aged white highlights, delivers a time-honored, elegant look. As you can see, this refined combination pairs beautifully with classic brick, stone, and neutral siding, creating a sophisticated, enduring appeal.

3 Tips for Matching Your Shingles to Your Home

1. *Be Inspired by Natural Surroundings*

Weathered Wood blends seamlessly when nestled in the woods, but a Heritage® shingle in Antique Slate might be the perfect choice for a coastal retreat.

2. *Consider Your Home's Style*

Modern homes pair well with sleek tones like Rustic Black, while traditional homes shine with timeless hues like Weathered Wood.

3. *Test in Natural Light*

View Heritage® colors, like Antique Slate or Weathered Wood, against your home in different lighting to ensure the perfect match.

New Technology for Superior Protection

Introducing TriShield™ Technology

Heritage® shingles feature a completely redesigned formula, engineered for enhanced durability and lasting protection. Built with TAMKO's proprietary **TriShield™** technology, they deliver uncompromising performance that homeowners can trust.

SEALANT GRIPS STRONG:

Next-generation sealant technology engineered for exceptional strength — resisting high-temperature compression while forming a powerful bond that grips strong even in freezing temperatures!

LAMINATE MAINTAINS INTEGRITY:

Innovative laminate technology engineered to lock the shingle system together regardless of high summer temperatures or steep roof conditions.

GRANULES HOLD FIRM:

Our advanced asphalt technology, featuring proprietary additive blends and premium material sourcing, delivers superior granule adhesion — helping ensure long-lasting protection even in the most extreme conditions.

*Built on Tradition,
Powered by Innovation.*

Crafted for Beauty.
Built for Durability.
Redesigned for Excellence.

Prior to making your final color selection, TAMKO recommends viewing an actual roof installation. See tamko.com/colorselection for complete details.

Certain colors and products may not be available in your area. Information included in this item was current at the time of printing. To obtain a copy of the most current version of this item, visit us online at tamko.com or call us at 1-800-641-4691.

SHINGLES BEGIN TO AGE AS SOON AS THEY ARE EXPOSED TO NATURE. BUILDINGS EXPERIENCE AGING FACTORS DIFFERENTLY, SO IT IS DIFFICULT TO PREDICT HOW LONG SHINGLES WILL LAST. TAMKO PROVIDES A LIMITED WARRANTY FOR MANY PRODUCTS, THAT INCLUDES A BINDING ARBITRATION CLAUSE AND OTHER TERMS AND CONDITIONS WHICH ARE INCORPORATED HEREIN BY REFERENCE. YOU MAY OBTAIN A COPY OF THE LIMITED WARRANTY AT TAMKO.COM OR BY CALLING 1-800-641-4691.
