

HERITAGE[®]

ARCHITECTURAL ASPHALT SHINGLES

Shown in Weathered Wood

REDESIGNED FOR EXCELLENCE.

Heritage[®] shingles feature a **completely redesigned formula**, engineered for enhanced durability and lasting protection. Built with TAMKO's proprietary **TriShield™** technology, they deliver **uncompromising performance** that homeowners can trust.

*15-year Limited Warranty when following Heritage's high wind application instructions and fastening system. See TAMKO's full High Wind Application Instructions for all requirements and restrictions.

†See TAMKO's Limited Warranty and Application Instructions for full detail.

‡Limited Lifetime only applies to single-family structures. See TAMKO's Limited Warranty for complete details.

GRANULES HOLD FIRM:

Our advanced asphalt technology, featuring proprietary additive blends and premium material sourcing, delivers superior granule adhesion — helping ensure long-lasting protection even in the most extreme conditions.

SEALANT GRIPS STRONG:

Next-generation sealant technology engineered for exceptional strength — resisting high-temperature compression while forming a powerful bond that grips strong even in freezing temperatures!

LAMINATE MAINTAINS INTEGRITY:

Innovative laminate technology engineered to lock the shingle system together regardless of high summer temperatures or steep roof conditions.
